

2014 Region 5 Soling One Meter Championship
September 6-7, 2014, Tingly Model Boat Pond, Albuquerque, NM

Fifteen heats were sailed on Saturday under moderate breezes. Art Hawes set a nice two and a half lap course, which allowed plenty of opportunity for tactics and passing. From the start line at the north end, boats sailed south, rounding the south center and southeast marks to port, then proceeded northeast, rounding the north center and two northwest marks to port (two laps), and then headed south for the finish line centered in the pond. On Sunday, winds were much lighter, and we only got in 5 more heats. Each heat was one and one half laps, with a start to windward. DS = DNS = DF= DNF = Number of Boats + 1 = 11.

First Place: Pete Eschman, Second Place: Richard Ball, Third Place: Bill McGregor, Victor Rotolo Sportsmanship Award: Art Hawes.

We would like to thank these hard working volunteers: Art Hawes, Race Director; Kathy Bailey, Scorekeeper; Day Hawes, Scorekeeper; Jim Scheibner, Finish and Mark Judge; Peter Roupas, Videographer; and Jill Montalvo, lunch delivery.
