Thirteenth Annual Rio Grande Cup

Est. 1996 / AMYA # 213

RACE ANNOUNCEMENT

***Hosted by the
Duke City Model Yacht Club
AMYA CLUB #213***

When: **April 25 and 26, 2020**

Where: **Tingley Beach Model Boat Pond,
Albuquerque, New Mexico**

2020 Rio Grande Cup

NOTICE OF RACE

Regatta Site: The regatta will be sailed at the Tingley Aquatic Park Model Boat Pond in Albuquerque, New Mexico.

Rules: The regatta will be governed by the rules defined in the current RRS as modified by Appendix E, the RG65 Class Rules, the regatta Sailing Instructions (SI's), any amendments to the SI's, and any other attached documents.

Eligibility: The regatta is open to all registered owners of the RG65 and DF65 classes. Proof of boat registration must be provided at check-in. The number of competitors will be limited to 28. Entries will be assigned in order the entry forms are received. If fewer than seven entries are received by the registration deadline, the event will be cancelled and all fees will be refunded.

Entry: Any eligible owner/skipper, as defined above, may enter the regatta by completing and returning the Regatta Entry Form, together with an appropriate check in US\$ to the address indicated. Unless you are using the 2.4 GHz radio system, your Entry Form must indicate at least three (3) available frequencies for each boat entered.

Measurement: Measurement is on the Honor system; the attached Statement of Good Faith must be completed and signed by each entrant. Verification may be conducted on site as result of a protest or as determined by the Race Committee. At the beginning of each day of the event a contestant shall declare one "boat", consisting of one hull, one keel (with its ballast), one rudder and up to three rigs (each may not exceed 2250 square cm of total surface). In the case of loss or damage to the "boat" such that it can no longer be sailed, the contestant may declare a replacement set. These requirements summarize Class rules 5.2.3 and 7.1, along with all local interpretation for this event.

Race Format: Racing will be conducted under a multi-heat system if the numbers of competitors or the conditions warrant. This will be determined solely by the Race Committee. Courses will be set based on the prevailing conditions, and announced prior to the start of each race. The regatta will be scored in accordance with the Low Point Scoring system as set forth in Appendix A of the RRS. The worst finish for each boat shall be excluded if a minimum of seven heats is sailed; and another worst score will be excluded every five additional heats sailed.

Prizes: Trophies will be awarded to the top finishers -- first place receives a nice piece of Native American Art -- and we will also give out the Victor Rotolo Sportsmanship Award to the most deserving competitor. Green Chevrons will be awarded to the top three finishers who are current AMYA members. Dragon Force trophies may be awarded for DF65 class legal participants if enough eligible boats race.

2020 Rio Grande Cup

Schedule of Events:

Friday	Noon to 3:00 pm	early check-in, then practice sailing until late afternoon
Saturday	9:00-10:15 am	Late check-in
	10:30 am	Skippers Meeting
	10:45 am-4:00pm	Racing, with lunch break
	5:00 pm	Dinner at a local restaurant
Sunday	10:00 am	Skippers Meeting
	10:15 am-2:00 pm	Racing
